

*In the Community. With the Community. For the Community.*

August 30, 2011

**CONGRATULATIONS!**  
**Castle Montessori has been Voted "Best Preschool" in the  
Flower Mound/Lewisville/Highland Village Community!**

Every year the readers of Star Community Newspapers select their favorite businesses in their communities in our annual Readers Choice voting. The ballots ran in our publications for 6 weeks and online at [starlocalnews.com](http://starlocalnews.com). We have received tens of thousands of paper and online ballots. The entry deadline has passed, the votes have been tallied and **our readers have selected Castle Montessori "The Best!"**

You will see your business referenced as the category winner in our special Readers Choice issue which publishes in our Flower Mound and Lewisville newspapers on October 1<sup>st</sup>. The results will also remain up year-round on our online newspapers in a special Readers Choice section. Many people living in, or considering moving to, the area consider these results when scouting out businesses that are highly regarded in the community.

Congratulations once again on your victory!

Best regards,
